Video Visitation

Participation in video-visitation is a privilege, not a right. Participants (visitors and inmates) are expected to conduct themselves in an appropriate fashion, as defined below, at all times during a video visit.

Warren County Regional Jail reserves the right to deny, cancel, or terminate a video visit prior to or during a visitation session based upon visitor or inmate misconduct or a facility emergency - and potentially enforce penalties/sanctions against future visits.

Video Visitation Rules

- All regular visitation rules apply
- Participants must be and remain seated during the visit session.
- Once the video visitation has begun, participants may not touch the visitation screen or cover the camera in any way.
- All clothing must remain in place as partial exposure or nudity is prohibited.
- Pictures and/or photographs may not be shown during the visit.
- Food and/or drink are prohibited during the visit.
- Only visitors registered and logged for a specified visit are allowed to be a part of the video visitation. The attempt by any other party to engage in the visitation is prohibited.
- Visitors that knowingly violate courts orders shall not be permitted visitation privileges.
- Visitors shall be at least 18 years of age or a parent or legal guardian must accompany minors.
- Visitors under the influence of drugs or alcohol will not be permitted visitation privileges.
